Your Legal Rights Under These Limited Warranties.

The limited warranties contained in this booklet are the only express warranties that MBUSA makes for your vehicle. These limited warranties give you specific legal rights. You may also have other rights that vary from state to state.

For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by the express written warranties contained in this booklet.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and MBUSA completely disclaims them to the extent allowed by law. And the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

NO PAYMENT OR OTHER COMPENSATION WILL BE MADE FOR INDIRECT OR CONSEQUENTIAL DAMAGE SUCH AS DAMAGE OR INJURY TO PERSON OR PROPERTY OR LOSS OF REVENUE WHICH MIGHT BE PAID, INCURRED OR SUSTAINED BY REASON OF THE FAILURE OF ANY PART OR ASSEMBLY WHICH MAY BE REPAIRED OR REPLACED IN ACCORDANCE WITH THE TERMS OF THIS WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

CALIFORNIA SUPPLEMENT

EXCEPT FOR THE EMISSIONS SYSTEMS WARRANTIES, THIS IS THE ONLY EXPRESS WARRANTY PROVIDED IN CONNECTION WITH THE PURCHASE OF A SPRINTER VEHICLE. THE STATE OF CALIFORNIA ALSO PROVIDES AN IMPLIED WARRANTY OF MERCHANTABILITY, AND WHERE APPLICABLE, AN IMPLIED WARRANTY OF FITNESS. THE DURATION OF THESE IMPLIED WARRANTIES, HOWEVER, SHALL BE LIMITED TO ONE (1) YEAR FROM THE DATE THE VEHICLE IS DELIVERED TO THE FIRST RETAIL PURCHASER OR PUT IN SERVICE AS AN AUTHORIZED MERCEDES-BENZ DEALERSHIP DEMONSTRATOR OR MERCEDES-BENZ USA, LLC OR DAIMLER VANS USA LLC OR DAIMLER VANS MANUFACTURING, LLC COMPANY VEHICLE. OTHER THAN THE EXPRESS WARRANTIES CONTAINED IN THIS BOOKLET AND THE IMPLIED WARRANTY OF MERCHANTABILITY, AND WHERE APPLICABLE, THE IMPLIED WARRANTY OF FITNESS, AS LIMITED IN DURATION ABOVE, MERCEDES-BENZ USA, LLC OR DAIMLER VANS USA LLC DISCLAIM ANY AND ALL OTHER IMPLIED WARRANTIES. NEITHER DAIMLER AG, MERCEDES-BENZ USA, LLC, DAIMLER VANS USA LLC, DAIMLER VANS MANUFACTURING, LLC, NOR ANY AUTHORIZED MERCEDES-BENZ DEALERSHIP CAN ASSUME OR AUTHORIZE ANY PERSON TO ASSUME FOR THEM ANY OTHER LIABILITY IN CONNECTION WITH A SPRINTER VEHICLE. NO PAYMENT OR OTHER COMPENSATION WILL BE MADE FOR INDIRECT OR CONSEQUENTIAL DAMAGE SUCH AS DAMAGE OR INJURY TO PERSONS OR PROPERTY OR LOSS OF REVENUE WHICH MIGHT BE PAID, INCURRED, OR SUSTAINED BY REASON OF THE FAILURE OF ANY PART OR ASSEMBLY WHICH MAY BE REPAIRED OR REPLACED IN ACCORDANCE WITH THE TERMS OF THIS WARRANTY.

To the Owner.

General.

The subsequent pages of this Service and Warranty Information booklet describe some service requirements and the warranties you receive as a Mercedes-Benz owner.

Your vehicle is covered under the terms of these warranties and your authorized Mercedes-Benz Dealership will exchange or repair any defective parts in accordance with the terms of such warranties within stated limits.

For your convenience, the vehicle's Maintenance Booklet contains a confirmation section. It is included in the Owner's Literature Package. You should use the maintenance confirmation pages to keep track of scheduled maintenance, either by routinely having the repairs entered in the confirmation pages, or by keeping receipts or other documentation of work you've had done on your vehicle in your Maintenance Booklet so that future owners will have access to this literature if you should sell the vehicle.

See (→ Page 45) for a list of models covered in this edition.

What's Covered.

New Vehicle Limited Warranty.

A. Who Is Covered?

The subsequent pages of this Service and Warranty Information booklet describe some service requirements and the warranties you receive as an owner. Your vehicle is covered under the terms of these "Warranties" and your nearest authorized Mercedes-Benz Dealership will exchange or repair any defective parts in accordance with the terms of such warranties within stated limits.

Please keep this booklet together with the Operator's Manual, Maintenance Booklet and other documents concerning your vehicle so that future owners will have access to this literature if you should sell the vehicle.

B. What's Covered

The New Vehicle Limited Warranty warrants to the original and each subsequent owner of a new Sprinter vehicle that any authorized Mercedes-Benz Dealership will make any repairs or replacements necessary to correct defects in

material or workmanship arising during the warranty period.

ANY AUTHORIZED MERCEDES-BENZ DEALERSHIP: To make a warranty claim you must present your vehicle to an authorized Mercedes-Benz Dealership so a diagnosis can be performed to determine whether it is necessary to correct a defect in material or workmanship. Any authorized Mercedes-Benz Dealership of the owner's choice will perform warranty repairs or replacements. The vehicle should be delivered to an authorized Mercedes-Benz Dealership during normal service hours. A reasonable time should be allowed after taking the vehicle to an authorized Mercedes-Benz Dealership for performance of the repair.

Occasionally, delays in repairs occur due to back-ordered parts and other circumstances outside MBUSA's control. Delays occurring for such circumstances will not be considered an unreasonable performance of the repairs.

C. Items Covered by Other Warranties

The following are covered by separate warranties offered by their makers. They are **not covered** by the Basic Limited Warranty:

- tires;

or

- items added or changed after your Sprinter vehicle left the manufacturing plant, such as accessories or protection products, or items changed because of customization or van conversion (except Genuine Mercedes-Benz accessories designed for Sprinter, and installed by an authorized Mercedes-Benz Dealership). Be sure you get a copy of any warranty that applies to these items from your authorized Mercedes-Benz Dealership, or from the maker of the product. You can find the tire warranty statements in your Owner's Literature Package.

D. Towing Costs Are Covered Under Certain Circumstances

The New Vehicle Limited Warranty, the Battery Limited Warranty and the Spare Parts Warranty cover the cost of towing your vehicle to the nearest authorized Mercedes-Benz Dealership if your vehicle cannot be driven because a covered part has failed, see (→ Page 30).

E. Warranty Starts

The warranty period starts on the date the vehicle is delivered to the first retail purchaser or put in service as an authorized Mercedes-Benz Dealership demonstrator or MBUSA or Mercedes-Benz U.S. International, Inc. (MBUSI) or Mercedes-Benz Research & Development North America, Inc. (MBRDNA) company vehicle but no later than 24 months from the vehicle production date. Warranty coverage will be adjusted to reflect the actual warranty period start date.

F. Warranty Period

This warranty is for 36 months or 36,000 miles, whichever occurs first.

Not all components or adjustments carry a 36 month or 36,000 mile warranty. Warranty coverage for

specific components or adjustments is based on the vehicle's time in service or mileage and should always be verified with your authorized Mercedes-Benz Dealership prior to any repairs. Examples include, but are not limited to:

- Wheel alignment and balancing
- Brake pads
- Brake discs
- Glass
- Wiper blades and inserts
- Remote control key batteries

G. Registration and Operation Requirements

The New Vehicle Limited Warranty covers your vehicle only if:

- it was built for sale in the U.S.;
- it's registered in the U.S.;
- it's driven mainly in the U.S. or Canada, see (→ Page 28); and
- it's operated and maintained in the manner described in your Operator's Manual and Maintenance Booklet.

H. If Your Vehicle Leaves the United States (We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes):

EXCEPT WHERE SPECIFICALLY REQUIRED BY LAW, THERE IS NO WARRANTY COVERAGE ON THIS VEHICLE IF IT IS SOLD IN OR REGISTERED IN COUNTRIES OTHER THAN THE UNITED STATES.

This policy does not apply to vehicles that have received authorization for export from the vehicle distributor. Authorized Mercedes-Benz Dealerships may not give authorization for export. You should consult an authorized Mercedes-Benz Dealership to determine this vehicle's warranty coverage if you have any questions.

This policy does not apply to vehicles registered to U.S. government officials or military personnel on assignment outside of the United States.

Corrosion Warranty.

A. What's Covered

This corrosion warranty covers the cost of all parts and labor needed to repair or replace any sheet metal panels that get holes from rust or other corrosion. If a hole occurs because of something other than corrosion, this corrosion warranty does not apply. Cosmetic or surface corrosion - resulting, for example, from stonechips or scratches in the paint - is not covered. For more details on what is not covered by this corrosion warranty, see (→ Page 13).

B. How Long It Lasts

The Corrosion limited warranty starts when your New Vehicle Limited Warranty begins, see (→ Page 9). This limited warranty has two time-and-mileage limits:

- For sheet metal panels, the limit is 36 months, with no mileage limit.
- For an outer-body sheet metal panel-one that is finish-painted and that someone can see when walking around the vehicle - the limits are 5 years or 100,000 miles on the odometer, whichever occurs first.

Restraint System Limited Warranty (Vehicles sold and registered in the State of Kansas only).

For vehicles sold and registered in the State of Kansas, seatbelts and related seatbelt components are warranted against defects in workmanship and materials for 10 years, regardless of mileage. This limited warranty does not cover replacement of seatbelts and related components required as the result of collision.

What's Not Covered

Items Which Are Not Covered.

THIRD PARTY EXTERNALLY CONNECTED ELECTRICAL PRODUCTS: This warranty does not apply to hardware or software of a third party device that is connected to the vehicle or its components, even if integrated or delivered with the vehicle. Mercedes-Benz is not responsible for the quality or accuracy of any information, or service accessed through or from any third party device or platform. Software distributed by Mercedes-Benz inside or outside the vehicle (including, but not limited to system software or applications) is not covered by this warranty. Mercedes-Benz does not warrant that connections to, from or through the vehicle will be uninterrupted or error-free. Also, the user should back-up their data and information frequently. Mercedes-Benz is not responsible for any loss or damage to data or information made available in connection with the use of the vehicle. In addition, this warranty does not apply: (a) to consumable parts that are designed to diminish over time, unless failure has occurred due to a defect in materials or workmanship; (b) to damage caused

by use with another product or service; (c) to damage caused by a third party device or service (including upgrades and expansions), or (d) to obsolescence or lack of utility due to incompatibility with future versions of external hardware or software, including, but not limited to mobile devices.

TIRE AND RIM DAMAGE: Damage to the tires such as punctures, cuts, snags, bruises, impact damage and breaks resulting from pothole impact, curb impact, or from other objects/road hazards is not covered. Rapid or irregular tire tread wear due to lack of tire rotation according to the recommended intervals specified in your vehicle's maintenance booklet or incorrect wheel alignment or tire balance is not covered. Tire tread wear is also not covered.

Damage to the rims resulting from pothole impact, curb impact, or from other objects/road hazards is not covered.

WHEEL ALIGNMENT: Adjustments for road crown issues are not covered.

BRAKE PADS AND DISCS:

Replacement due to normal wear or as part of regular maintenance is not covered.

WIPER BLADES AND INSERTS:

Damaged or worn wiper blades and wiper blade inserts are not covered.

Accidents or damage from objects striking the vehicle. Misuse of the vehicle such as driving into or over potholes, curbs, or other objects/road hazards; overloading, improper operation, storage or transport (Proper use is described in the Operator's Manual).

DAMAGE DUE TO LACK OF MAINTENANCE: Lack of proper maintenance as described in the Maintenance Booklet. Use of service parts or fluids, which are non-approved by MBUSA, will cause damage not covered by the warranty.

NORMAL MAINTENANCE IS OWNER'S RESPONSIBILITY: Cleaning and polishing, fluids and filters, replacing worn wiper blades, wiper rubber inserts, and brake pads and discs are some of the normal maintenance services required and are not covered by this warranty. See Maintenance Booklet for details.

Damage caused by the use of improper filters, fluids, cleaners, polishes, or waxes is not covered.

DAMAGE DUE TO ALTERATIONS:

Alterations by changing or adding to the vehicle can adversely affect its performance, reliability and longevity and are not covered by this warranty.

DAMAGE CAUSED BY IMPROPER

BODY REPAIRS: Damage or malfunctions caused by body repairs not performed in accordance with Mercedes-Benz specified repair procedures or otherwise improperly performed are not covered by this warranty.

ALTERED ODOMETER: No warranty coverage shall apply to any vehicle on which the odometer has been altered and the actual mileage cannot be determined.

DAMAGE CAUSED BY OUTSIDE INFLUENCES AND THE ENVIRONMENT: Damage from accidents or acts of nature or other events beyond the control of MBUSA is not covered (e.g., fire, flood, earthquake). Parts made from cloth or leather (upholstery, convertible tops, trim items), wood, paint or chrome which have been affected by airborne fallout, such as chemical and tree sap, or by road salt, hail, windstorm or other environmental factors are not covered by this warranty.

EXTRA EXPENSES: This warranty does not cover payment for loss of use of the vehicle during warranty repairs nor lodging bills, substitute transportation rentals, or other travel costs, telephone calls, loss of pay, or other economic loss or consequential damages.

DAMAGE TO GLASS: Glass breakage or scratches are not covered unless positive physical proof of a manufacturing defect can be established.

CHANGES IN DESIGN: The manufacturer has reserved the right to make any changes in design or to make additions to, or upon its products without incurring any obligations to install the same equipment on motor vehicles previously built.

RACING OR COMPETITIVE EVENTS: This warranty does not cover the costs of repairing damage or conditions caused by racing, nor does it cover the repair of any defects that are found as the result of participating in a racing event.

DAMAGE TO INTERIOR SURFACES: Damage to finished interior surfaces such as upholstery, wood, leather, suede, plastic, chrome, glass, rug, and paint caused by external influence, misuse, or negligence is not covered. Some examples include, but are not limited to, spills, chafe marks, scratches, and impressions from heavy objects or clamping force (such as a strap or mounting device). Damage from the use of third party accessories such as steering wheel locks or vent-mounted air fresheners is also not covered.

Insurance Write-Off; or Repaired or Replaced Parts.

Any vehicle which has been damaged to such an extent that the owner, insurer, financing institution or leasing company determined the vehicle to be a “total loss”, “write off” or equivalent, is not covered by this warranty. This includes but is not limited to vehicles issued a “salvage”, “scrap”, “dismantled” or similar title under any state’s law.

Any parts repaired or replaced under an insurance claim or required as a result of events which are not covered under this warranty (see “Items Which Are Not Covered”, (→ Page 13)), for example, damages due to accidents, misuse, or negligence, and in either case, any subsequent consequential damage to the vehicle are not covered by this warranty.

Restricted Warranty.

Your warranties can also be restricted by MBUSA.

Accordingly, MBUSA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by MBUSA before covered repairs are performed.

Other Terms of Your Warranties.

Exchanged Parts May Be Used in Warranty Repairs.

In the interest of customer satisfaction, MBUSA may offer exchange service on some vehicle parts. This service is intended to reduce the amount of time your vehicle is not available for your use because of repairs. Parts used in exchange service may be new, remanufactured, reconditioned, or repaired, depending on the part involved.

All exchange parts that might be used meet new parts standards and have the same limited warranties.

Examples of the kinds of parts that might be serviced in this way are:

- Battery assemblies;
- Propulsion components;
- Instrument cluster assemblies;
- Radios, entertainment control modules;
- Speedometers; and
- Powertrain control modules.

To help control suspected ozone-depleting agents, the EPA requires the capture, purification, and reuse of automotive air conditioning refrigerant gases. As a result, a repair to the sealed portion of your air conditioning system may involve the installation of purified reclaimed refrigerant.

Pre-Delivery Service.

A defect in or damage to the mechanical, electrical, sheet-metal, paint, trim, and other components of your vehicle may have occurred at the factory or while it was being shipped to the authorized Mercedes-Benz Dealership.

Such a defect or damage is usually detected and corrected at the factory. In addition, authorized Mercedes-Benz Dealerships must inspect each vehicle before delivery. They repair any defects or damage detected before the vehicle is delivered to you.

Production Changes.

Changes may be made in vehicles sold by the vehicle distributor and its authorized Mercedes-Benz Dealerships at any time without incurring any obligation to make the same or similar changes on vehicles previously built or sold.

Battery Limited Warranty.

General.

This Battery Limited Warranty (“Battery Coverage”) supplements the warranty coverage for the lithium-ion battery in a Mercedes-Benz vehicle offered under the New Vehicle Limited Warranty (“Vehicle’s Warranty”). This Battery Coverage is separate from and in addition to the express conditions and warranties set forth in the Vehicle’s Warranty and in no way alters or extends that coverage.

Items Which Are Covered.

For warranty claims specific to battery capacity, the replacement battery will be in a condition appropriate to the age and mileage of the vehicle sufficient to achieve or exceed the minimum battery capacity for the remainder of the warranty period of the original battery. Note that the vehicle's range estimates are an imperfect measure of battery capacity because they are affected by additional factors separate from battery capacity. The measurement method used to determine battery capacity, and the decision of whether to repair, replace, or provide reconditioned or re-manufactured parts, and the condition of any such replaced, reconditioned or re-manufactured parts, are at the sole discretion of Mercedes-Benz.

BATTERY COVERAGE: Mercedes-Benz USA, LLC (MBUSA) warrants the certified lithium-ion battery in a Mercedes-Benz vehicle to the original and each subsequent owner for:

- Any repairs or replacements necessary to correct defects in material or workmanship to the battery arising after the expiration of the Vehicle's Warranty.
- Any repair or replacement of the battery if the battery's capacity drops below 70% of its rated capacity.

OWNER'S RESPONSIBILITY: It is the owner's responsibility to maintain the vehicle according to the applicable Maintenance Schedule provided. All required maintenance services must be accomplished to keep your Battery Coverage valid.

BATTERY COVERAGE PERIOD: The Battery Coverage starts on the same date as the Vehicle's Warranty (→ Page 9). For any battery maintaining its certified status (as described above), the length of this Battery Coverage is:

- 8 years/100,000 miles (whichever occurs first)

AVAILABILITY OF BATTERY COVERAGE: This Battery Coverage has the same geographic restrictions as the Vehicle's Warranty, including restrictions against the applicability of the Battery Coverage outside of the United States and Puerto Rico (→ Page 11) .

LITHIUM-ION BATTERY CAPACITY COVERAGE: The battery is warranted to maintain at least:

70% of its rated capacity for the duration of this warranty. The coverage under this warranty includes any repairs required to maintain the battery's minimum capacity. If possible, the battery's components will be repaired or replaced and the original battery returned to the vehicle. If necessary, the battery will be replaced with either a new or factory re-manufactured lithium-ion battery. Any repair or replacement may not return the battery to an "as new" or 100% energy content but will have at least: 70% of its rated capacity.

Items Which Are Not Covered.

EXCLUSIONS FROM BATTERY

COVERAGE: In addition to the Items Which Are Not Covered under the Vehicle's Warranty (→ Page 13) , the Battery Coverage does not cover damage or failures resulting from or caused by:

- Leaving the vehicle parked for more than 14 days with a 0% battery charge displayed
- Physically damaging or intentionally attempting to reduce the life of the lithium-ion battery
- Exposing the lithium-ion battery to a direct flame
- Immersing any portion of the lithium-ion battery in water or fluids
- Opening the lithium-ion battery enclosure or having it serviced by someone other than an authorized Mercedes-Benz Dealership
- Neglecting to follow correct charging procedures as recommended in the Operator's Manual
- Using incompatible charging devices
- Failure to repair an existing problem or otherwise properly maintain the vehicle

- Using the vehicle as a power source for alternative functions other than factory installed equipment.

EXCLUSIONS FOR GRADUAL

CAPACITY LOSS: The vehicle's battery, like all lithium-ion batteries, will experience gradual Capacity loss with time and use. Loss of Capacity due to or resulting from gradual Capacity loss is not covered beyond the terms and limits specified in this Battery Limited Warranty (as set forth above). See the Operator's Manual for recommendations on how to maximize the life and capacity of the vehicle's lithium-ion battery.

OTHER EXCLUSIONS: In addition to the exclusions set forth above, this Battery Coverage does not cover the costs of repairing damage or conditions caused by:

- Accident, collision, or object striking the vehicle
- Towing of the vehicle (Flatbed recommended)
- Abuse or negligence
- Failure to operate the vehicle in accordance with the Operator's Manual
- Misuse – such as towing, driving over curbs, overloading, using the vehicle as a power source, or for any other purpose for which the vehicle is not designed
- Use of replacement parts other than Genuine Mercedes-Benz parts
- Improper repair or maintenance
- Fire, explosion, earthquake, windstorm, lightning, hail, flood
- Normal wear and tear

NO COVERAGE FOR INSURANCE WRITE-OFF; OR REPAIRED OR REPLACED PARTS: Like the Vehicle's Warranty coverage, this Battery Limited Warranty provides no coverage of any kind if the owner, insurer, financing institution or leasing company determined the vehicle to be a "total loss," "write off," or equivalent, or for any parts repaired or replaced under an insurance claim, which are not required under the Vehicle or Battery Warranty coverage (→ Page 16).

Warranty Limitations.

MBUSA is not responsible for failures or damage resulting from what MBUSA determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overspeeding; lack of maintenance of cooling, lubricating, improper storage, unauthorized modifications. MBUSA is not responsible for failures resulting from improper repair or the use of parts which are not Genuine Mercedes-Benz approved parts.

THIS WARRANTY, TOGETHER WITH THE EXPRESS LIMITED WARRANTIES ARE THE SOLE AND EXCLUSIVE WARRANTIES MADE BY MBUSA. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OR OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Obligations of the purchaser.

1. The purchaser shall bear all expenses associated with the operation of the high-voltage battery, particularly electricity costs and insurance premiums. Maintenance and repair costs shall be assumed by the purchaser only if they are not assumed by Mercedes-Benz in accordance with the “Mercedes-Benz battery certificate” section.
2. The purchaser is responsible for ensuring that the high-voltage battery is used exclusively as energy storage for the electric drive vehicle and is handled according to the manufacturer’s operating instructions. In particular, the purchaser is obliged to the following:
 - The vehicle with a high-voltage battery must always be stored in accordance with the instructions for battery care in the vehicle Owner’s Manual, provided that the high-voltage battery is not connected to a power source.
 - The high-voltage battery must be charged properly, i.e. only the approved/recommended charging cable for the vehicle may be used.
 - The high-voltage battery must be charged, at the latest, within 14 days after the charge level of the high-voltage battery has reached zero (according to the charge level display in the vehicle).
3. The high-voltage battery must be used only as intended in the contract, be treated with sufficient care and protected from damage. The Purchaser and each subsequent purchaser may not make any modifications (e.g. tuning) or improper repairs to the high-voltage on-board electrical system and its components (electric motor, power electronics, charging unit, heating, air conditioning, wiring or the high-voltage battery itself). The purchaser may connect additional consumers only in accordance with the vehicle Owner’s Manual. The purchaser shall ensure that the high-voltage battery is only used in a roadworthy and reliable condition.

4. The purchaser is obliged to have maintenance work carried out on the vehicle with high-voltage battery, including service and additional maintenance work, in accordance with Mercedes-Benz specifications within the indicated period, so that the necessary maintenance as well as wear and tear repairs can be correctly performed on the high-voltage battery. The service due date is displayed to the purchaser in the instrument cluster of the vehicle.

Warranty Service.

ANY AUTHORIZED MERCEDES-BENZ DEALERSHIP: To make a warranty claim under this Battery Coverage you must present your vehicle to an authorized Mercedes-Benz Dealership so a diagnosis can be performed to determine whether it is necessary to correct a defect in material or workmanship. Any authorized Mercedes-Benz Dealership of the owner's choice will perform warranty repairs or replacements. The location of the nearest authorized Mercedes-Benz Dealership may be obtained by visiting www.mbusa.com or calling 1-800-FOR-MERCEdes. In the event a warranty or service matter is not handled to your satisfaction, see (→ Page 41) for suggested steps.

Your satisfaction is our primary concern; and MBUSA will do everything it can to assist your authorized Mercedes-Benz Dealership in resolving your warranty problem or provide you with an explanation of MBUSA's position.

How to Get Warranty Service.

Where to Take Your Vehicle.

A. In the United States

(We Include U.S. Possessions and Territories as Part of the United States for Warranty Purposes):

Warranty service repairs or replacements must be done by an authorized Mercedes-Benz Dealership of the owner's choice.

If you have difficulty locating a convenient authorized Mercedes-Benz Dealership, please contact the Customer Assistance Center (→ Page 43). They can help you find the closest authorized Mercedes-Benz Dealership.

B. In Canada:

If you are traveling temporarily in Canada, and your vehicle remains registered in the United States, your New Vehicle Limited Warranty still applies. Service may be requested at any authorized Mercedes-Benz Dealership.

C. In a Foreign Country Outside of North America:

If you are traveling temporarily outside of North America, and your vehicle remains registered in the United States:

You should take your vehicle to an authorized Mercedes-Benz Dealership. They should give you the same limited warranty service you receive in the United States.

- If the authorized dealership charges you for repairs which you feel should be covered under your limited warranty, please get a detailed receipt for the work done. Make sure that this receipt lists all warranty repairs and parts that were involved. (This receipt will be similar to the one used by the dealer who normally services your vehicle.)
- When your vehicle returns to the United States, contact the Customer Assistance Center (→ Page 43) for reimbursement consideration. You will need to provide a copy of the receipt, your vehicle registration and any other relevant documents.
- Reimbursement will not be considered if the vehicle does not return to the United States.

D. If You Move:

If you move to another country, be sure to contact the Customer Assistance Center (→ Page 43) and the customs department of the destination country before you move. Vehicle importation rules vary considerably from country to country. You may also be required to obtain documentation from MBUSA in order to register your vehicle in your new country.

How To Get Tow Service - U.S. or Canada Only.

A. What To Do:

If your vehicle requires towing due to a defect covered under the New Vehicle Limited Warranty or the Battery Limited Warranty, dial toll-free 1-877-762-8267. Provide your name, vehicle identification number, model year and color of vehicle, telephone number where you can be reached, disabled location of vehicle, and a description of the problem.

You will be given the name of the service provider and an estimated time of arrival. If you feel you are in an “unsafe situation”, please let us know. With your consent, we will contact local police or safety authorities.

B. If Unable to Contact 24-Hour Towing Assistance:

If you are unable to contact 24-Hour Towing Assistance and you obtain towing services on your own, you may submit your original receipts from the licensed towing or service facility, for services rendered within 30 days of the occurrence. Be sure to include your vehicle identification number, odometer mileage at the time of service and current mailing address. We will process the claim based on vehicle and service eligibility. If eligible, we will reimburse you for the reasonable amounts you actually paid, based on the usual and customary charges for that service in the area where they were provided. The vehicle distributor’s determination relating to reimbursement are final. Correspondence should be mailed to:

Emergency Warranty Repairs

If you have an emergency and have to get a warranty repair made by someone other than an authorized Mercedes-Benz Dealership, follow the reimbursement procedure on (→ Page 29) (C).

Emergency Repairs

In the case of an emergency where an authorized Mercedes-Benz Dealership is not available, certain warranty related repairs may be performed by any available repair location or by any individual using any replacement parts. A part not being available within 30 days or a repair not being complete within 30 days constitutes an emergency. MBUSA will reimburse the owner for expenses (including diagnosis), not to exceed MBUSA's suggested retail price for all warranted parts replaced and labor charges based on MBUSA's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate. Replaced parts and paid invoices must be presented as a condition of reimbursement for emergency repairs not performed by an authorized Mercedes-Benz Dealership.

Warranty Enforcement Laws (Lemon Laws).

Laws in many states and federal law permit owners and/or lessees to obtain a replacement vehicle or a refund of the purchase or lease price under certain circumstances. The provisions of these laws vary from state to state and vary from the federal law. To the extent allowed or not prohibited by applicable law, MBUSA requires that you first provide us with direct written notification of any alleged unrepaired defect or malfunction, or any other dissatisfaction you have experienced with your vehicle so that we have the opportunity to cure the problem or dissatisfaction ourselves. Giving MBUSA itself this direct notice and opportunity to cure enables us to supplement prior efforts by our Authorized Mercedes-Benz Dealership so any ongoing problem can be resolved or the dissatisfaction addressed by us. In states that do not require it, we also require, without constituting any liability beyond the Mercedes-Benz new vehicle warranty, that you give us direct written notice of any service difficulty you have experienced. Written notifications, either required under an applicable Lemon Law or other written notifications should be sent to us, not one of our Authorized Mercedes-Benz Dealership, at Mercedes-Benz USA, LLC, Customer Assistance Center, One Mercedes-Benz Drive, Sandy Springs, GA 30328.

IMPORTANT NOTICE for California Retail Buyers and Lessees.

Under California law you may be entitled to a replacement of your vehicle or a refund of the purchase price or lease price, if MBUSA and/or its authorized repair or service facilities fail to fix one or more substantial defects in the vehicle that are covered by its express warranty after a reasonable number of repair attempts, less an offset for the mileage accumulated before the first repair of the substantial defect. During the period of 18 months from original delivery of the vehicle or the accumulation of 18,000 miles on the odometer of the vehicle, whichever occurs first, a reasonable number of repair attempts is presumed for a retail buyer or lessee if one or more of the following occurs: (1) the same substantial defect or malfunction results in a condition that is likely to cause death or serious bodily injury if the vehicle is driven, that defect or malfunction has been subject to repair two or more times, and you have directly notified MBUSA in writing of the need for its repair, (2) the same substantial defect or malfunction of a less serious nature than category (1) has been subject to repair four or more times and you have directly notified us in writing of the need for its repair, or (3) the vehicle is out of service by reason of repair of the same or different substantial defects or malfunctions for a cumulative total of more than 30 calendar days. Written direct notification should be sent to us, not an Authorized Mercedes-Benz Dealership, at Mercedes-Benz USA, LLC, Customer Assistance Center, One Mercedes-Benz Drive, Sandy Springs, GA 30328.
